I was approved for a Charter Bus Certificate by Order No. 2010-751 (Docket No. 2010-369-T) dated November 17, 2010. On January 5, 2011, I was granted an extension of time to comply with Order No. 2010-751, however, I will not be purchasing any vehicles for that authority this year so I am requesting the Public Service Commission to rescind Order No. 2010-751 which granted a Charter Bus Certificate for Low Country Sightseeing, LLC.
